### OUR CONNECTION TO THE SEA

The coast is our human connection to the sea. It is the first place we dip our toes before heading out for a swim, our favorite view from any chair and a symbol of safety and comfort for those that have been out at sea. Coastal Seafood captures those feelings with our hand-selected, fully traceable and sustainable seafood products.

### RESPONSIBLE SOURCING

Coastal Swai is farm raised in the Mekong Delta area of Vietnam at a vertically integrated operation under strict Best Aquaculture Practices (BAP) standards. Coastal Swai have a mild, sweet taste and are free of growth hormones and antibiotics.
