OUR CONNECTION TO THE SEA

The coast is our human connection to the sea. It is the first place we dip our toes before heading out for a swim, our favorite view from any chair and a symbol of safety and comfort for those that have been out at sea. Coastal Seafood captures those feelings with our hand-selected, fully traceable and sustainable seafood products.

RESPONSIBLE SOURCING

Coastal Squid are caught in various bodies of marine waters seasonally using seine nets. Coastal Squid is perfectly tender with a mild, sweet and buttery flavor. The tubes and tentacles are fully cleaned and convenient to use.
