OUR CONNECTION TO THE SEA

The coast is our human connection to the sea. It is the first place we dip our toes before heading out for a swim, our favorite view from any chair and a symbol of safety and comfort for those that have been out at sea. Coastal Seafood captures those feelings with our hand-selected, fully traceable and sustainable seafood products.

RESPONSIBLE SOURCING

Coastal Dover Sole is a True Dover Sole that is trawl caught off the pristine shores of Holland. Coastal Dover Sole has a snow white, small flaked, firm flesh that is slightly sweet and mild tasting. It can be easily steamed, sautéed, broiled or baked.
