OUR CONNECTION TO THE SEA

The coast is our human connection to the sea. It is the first place we dip our toes before heading out for a swim, our favorite view from any chair and a symbol of safety and comfort for those that have been out at sea. Coastal Seafood captures those feelings with our hand-selected, fully traceable and sustainable seafood products.

RESPONSIBLE SOURCING

Coastal Snow Crab are caught in traps in the icy North Atlantic waters of Canada. Coastal Snow Crab Claws have firm yet tender meat with a rich, sweet, delicate flavor. The claws are fully cooked and ready to eat once thawed.
